1 SVI Extended Payment Plan

Please note all orders accepted by Squire Technologies Ltd are subject to our standard terms and conditions (TLD 004) available at:-
http://www.squire-technologies.co.uk/docs/STLD-0004_Squire_Technologies_Standard_Terms_and_Conditions.pdf

The payment for the SVI is to be made over six (or twelve) months.

The following are additional terms and conditions: -

- 1.1 All prices exclusive of V.A.T.
- 1.2 If Squire Technologies Ltd is requested to supply a server with the SVI;
 - a) All hardware costs to be paid upfront.
 - b) All shipping costs to be paid by the Customer.
 - c) It is customer's responsibility to pay any customs charges or duty that may occur when shipping equipment outside of the UK.
- 1.3 Installation, commissioning, training and associated costs relating to the SVI to be paid upfront.
- 1.4 Payment terms for SVI + Support services.
 - a) Payment is to be split into six (or twelve) equal monthly payments.
 - b) Monthly payments are to be paid in advance.
 - c) The funds for each month must be transferred to Squire Technologies by the due date each month. If the funds have not been received by Squire Technologies by the due date this will result in the SVI + Support being disabled until such time that the funds are received whereon a standard reconnection fee of £500 will be payable.
 - d) All products remain the sole property of Squire Technologies until final payment is received.
 - e) Payments are exclusive of any bank charges. The Customer must ensure any bank charges are paid in full.
 - g) If the SVI is upgraded within the twelve month repayment period the additional cost will be collected over the remaining period.
 - h) Until final payment is made all products remain on a temporary license. For the temporary license to work the Customer must supply 24x7 IP access to Squire Technologies.
